Purpose

The purpose(s) for which we are processing your personal data is to support the delivery and administration of GHG LAD. Delivery and administration of the Scheme may require linking of your data to other datasets held by the Department for Business, Energy and Industrial Strategy (BEIS). BEIS will be conducting an evaluation of the Scheme. This may include you being contacted to take part in further research. Where the research involves processing of personal data in addition to that already collected for delivery of the Scheme, you will be given the opportunity to opt-in to that research at the point of contact. Your data may also be used for statistical, research and fraud prevention purposes.

Legal basis of processing

The legal basis for processing your personal data is:

Public task: Processing is necessary for the performance of a task carried out in the public interest.

The specific public task is the delivery, administration and evaluation of, as well as statistical, research and fraud prevention purposes relating to, the Scheme, a government

funded scheme aiming to raise the energy efficiency of low energy performance homes (those rated at EPC Band D, E, F or G), including off-gas grid homes. Funding is provided to Local Authorities who engage consumers and manage the delivery of installations in homes.

Consent: Use of your personal data to contact you to take part in further research will be subject to your consent.

Recipients

Your personal data will be shared with: - The Department for Business, Energy and Industrial Strategy (BEIS) and its contractors for delivery, administration and evaluation of the scheme, statistical, research and fraud prevention purposes. - Ofgem and delivery partners of central and local government home energy schemes such as the Energy Company Obligation and Renewable Heat Incentive

Your personal data may also be shared with other Government departments where necessary. We may share your data if we are required to do so by law, for example by court order or to prevent fraud or other crime. Personal data shared with BEIS will be stored on their IT infrastructure and will therefore also be shared with their data processors Microsoft and Amazon Web Services.

Retention

Your personal data will be stored securely by BEIS for a maximum period of 25 years following the close of the Scheme. BEIS may choose to store anonymised data beyond this period.

YOUR RIGHTS

You have the right to request information about how your personal data are processed, and to request a copy of that personal data. You have the right to request that any inaccuracies in your personal data are rectified without delay. You have the right to request that any incomplete personal data are completed, including by means of a supplementary statement. You have the right to request that your personal data are erased if there is no longer a justification for them to be processed. You have the right in certain circumstances (for example, where accuracy is contested) to request that the processing of your personal data is restricted. You have the right to object to the processing of your personal data where it is processed for direct marketing purposes. You have the right to object to the processing of your personal data. You have the right to withdraw consent to the processing of your personal data at any time, where processing is based on your consent.

HOW TO MAKE A REQUEST

If you wish to make a request associated with any of the rights listed above, contact BEIS using the contact details at the bottom of this notice.

INTERNATIONAL TRANSFERS

As personal data shared with BEIS will be stored on their IT infrastructure, and shared with their data processors Microsoft and Amazon Web Services, your data may be transferred and stored securely outside the European Economic Area. Where that is the case it will be subject to equivalent legal protection through the use of Model Contract Clauses.

COMPLAINTS

If you consider that your personal data has been misused or mishandled, you may make a complaint to the Information Commissioner, who is an independent regulator. The Information Commissioner can be contacted at:
