What data do we process?

We currently collect and process the following information: Basic personal data such as your name, address and contact details as well as information on how you qualify for the scheme such as household income and details of benefits you may claim.

How do we receive your data?

We receive your data directly from our Council partner (Nottinghamshire County Council) when they have identified that you need support from us.

Why do we process your data?

The personal information we process is provided to us directly by you to enable us to qualify you for the Home Upgrade Grant (HUG) funding stream. We will then be able to install energy-efficient measures (such as External Wall Insulation or an Air Source Heat Pump) to your property.

Who do we share your data with?

For reporting and project delivery purposes, we may need to share your information with:

- Nottinghamshire County Council (Project Partner)
- Internal departments such as our Energy Advice Team (Project Partner) or ECO Team (Project Partner)
- Renderclad (External Wall Insulation Installer)
- West Yorkshire Gas Solutions (Installer)
- Project Heating Solutions (Installer)
